Tim Crackanthorp
State Member for Newcastle, Minister for Hunter
Ground Floor, 414 Hunter St,
Newcastle NSW 2300

10th April 2023

Dear Tim,

On behalf of Stockton Community Group Inc., congratulations on your re-election as the Member for Newcastle and in your cabinet role as Minister for the Hunter. While we appreciate it is still very early days for the new NSW Government, our thoughts turn to the campaign promise of \$21 million to save Stockton Beach & prevent further erosion.

We seek reassurance that there will be a

- a) Prompt Allocation of a Project manager
- b) Timeline provided for the works including up until sand placement.

We are very keen to avoid the Stockton Beach solution being caught up in bureaucracy and red tape of government departments. Please assure us we are not going back to the drawing board for investigation & planning & that the work conducted by the Deputy Premier's Task Force was not in vain.

We thank you for your continuing support and for being our ongoing Project Champion!

Kind regards

Alison Rigby & Melanie Taggart
